

Well... I
got a
marriage
proposal.

You okay,
Kazuo?
You look
pretty
well
off.

Is that
so? How
wonderful.

Remember
Kazuo? Apparently
his
girlfriend's
coming back
to visit!

OF
COURSE
NOT!!

Congra-
tulations!

WAIT.

FROM
WHOM?

SERIOUSLY?
ARE YOU
GONNA
MARRY
HER?

That old
lady who
made her-
self look
young
again.

I know,
right? It
hasn't been
hanging out
with us all
day.

I wonder
even ghosts
get sick
sometimes.

CRASH

Where's
Kazuo?

I haven't
seen him
around
today.

To top it off,
Kazuo's
been having
the time of
his life,
having as
much fun as
possible.

What are
you doing
here?

Oh...
you're...

...the kid
from the
alloween party?

Apparently
no one is
guarding

the door
between
worlds in
this area.

What's
going
on?

...huh?

That...
can't be.

If I remember correctly, the door should be somewhere around here...

The other guards have been spotted, so I'd like to have a word with one guard for that shed so we know what's going on.

Exactly. The guards are the ones keeping the doors shut.

So, that is why, since the guard is standing, anyone can go in and out, right?

Hopefully, he'll be here as well...

Oh, yeah... The doors are in all sorts of random places, there's that?

Yes. When a door is hidden somewhere inconspicuous like the playground...

...it's like it's not even there.

Excuse me, is anyone there?

WHAT'RE YOU GUYS DOING HERE?

Something might have happened.

BAM

Wait... I heard he's not the only one who's gone missing.

The guards were like a pretty noisy bunch today. How do we know he isn't just doing work again?

S-SHE'S
NOT MY
GIRL-
FRIEND!

Oh! Your
girl-
friend?

Right back
at you.
What're
you doing
here?

Excuse-

But I'm
waiting
for
someone.

If you
guys are
here, then I'll
call him to
meet me
at someone's
place.

Otherwise,
we'll end up
getting
involved in-

CRASH!!

SHOCK!!

SHOCK!!

I found
him.

No,
well...

Wow, if
you were
that
hungry, you
could've
said some-
thing!

SHOCK!!
WHAT THE
HECK ARE
YOU
DOING?

Guard
duty?

...**SOME
SORT OF
CONSPIRACY!!**

The
conspiracy
stuff is
probably just
an exaggera-
tion, but it's
better safe
than sorry.

Yes. We were
thinking of
patrolling the
area with
doors and
protecting the
guards.

Alright then,
see you
tonight!

Oh...
okay.

Got
it...

Maybe it would be best to let go.

Actually, I can't really say it's none of your business...

That's correct, at least in terms of what we were told.

There's some other people...

Well... There *may* have been an *extra* victim we didn't know about.

Remember that whole mess with Mr. Ragsdale?

The dismembered corpse?

I thought maybe I'd overlooked something, so I tried re-examining the case more thoroughly.

If there really is another victim outside our protection, they could be in danger...

The other day, I overheard the guards talking about a 10th victim...

It bothered me when Mr. Ragsdale referred to himself and the other victims as, "the five of us."

...Thank
you.

We'll handle
the parents,
so just do
what you've
got to do.

Don't
worry
about it,
we've got
this.

I've been so
focused on
solving this
outbreak I'm
afraid I
haven't been
much help
keeping guard
going...

Exactly.

It might be
advised during
the day as well,
there aren't much
points in keeping
guard at
night...

The problem
is that we
can't keep
watch
24/7...

WHILE YOU
WERE ALL
AT
SCHOOL,
ANOTHER
GUARD
DISAPPEA-
RED!

Come to think
of it... Minami,
you've been
missing school
a lot lately,
haven't you?

Not feeling
okay?

I'M NEXT.
I JUST
KNOW IT!

If you aren't
feeling well,
you don't have
to force your-
self!

Was
seriously?
Are you
going to
sleep?

...sorry.

I've been
having trouble
keeping my
body solid
again ..

Really?

Really?

It's
nighttime
now, so
I'm fine!

If you
say
so.

That
could
work.

Aright, let's
do our best
tonight!

I'll ask
Afred to
keep an eye
out during
the day.

If
some-
thing's
up,
you can
always
talk to me
about it,
okay?
